Dear Gary:

Our bank is very pleased to recommend your company based both on your good financial condition and the wonderful job you have done on several major projects for our bank.

We give a very solid credit recommendation based on your financial condition and loan performance at our bank.

Your company has always done an excellent job for our bank. We were impressed with the quality of construction and finishing the jobs ahead of schedule. Your construction team was responsive to our needs, and we are very proud of the finished projects. We appreciate your personal interest and continued contact.

Sincerely,

**J. Gregg Jordan
Senior Vice President**
